Practical Information

- The size of the board for the poster is about 185 cm (6,06 ft) high and 93 cm (3,05 ft) wide.
- Please note that these measurements relate to the size of the poster boards onto which the posters will be fixed, final posters can of course be smaller in size than the board itself.
- There will be a small table beside each poster with room for leaflets, laptop etc
- We will make sure that your poster number will be clearly visible on your poster board.
- Materials to mount the posters (e.g. double adhesive tape etc) will be available at the conference site.

Terms and Conditions

The abstract summary of accepted submissions will be included in the conference proceedings. By agreeing to present your poster at ISC'o8, you also give permission to the ISC'o8 organizers to subsequently publish the research poster and summary on the ISC web site. Please note that research poster presenters have to be registered ISC'o8 participants. Accepted poster presenters will receive an official invitation to the ISC'o8 conference. However, travel costs to the conference and other costs (including registration fees, hotel, etc.) are the responsibility of any author of an accepted research poster.
